Paris, France

This intimate boutique hotel in the heart of Paris offers guests a comfortable stay and is ideally located to several of the major attractions in the city, including the Paris Opera, the Palais Royal, and the Louvre. The bed and breakfast is housed in a typical Parisian apartment and, as its name suggests, has three luxurious guestrooms individually decorated to showcase traditional French styles and design. The property has been renovated and decorated in a range of cheerful colors that call to mind a Victorian mansion, from the tranquil turquoise of

the lounge library to the various shades of orange in the kitchen. The guestrooms themselves have ensuite bathrooms, queen-sized beds, and modern conveniences like flat-screen TVs, iPod/iPhone docking stations, and in-room Nespresso coffee machines. Whether you're in Paris for business or for a romantic getaway, proprietor Laurent will ensure that your every need is addressed, starting with a delicious daily breakfast featuring warm croissants, homemade jam, and fresh fruit served in the lounge. Feel free to ask for Laurent's advice in planning your sightseeing itinerary, as he's always willing to offer suggestions!
